

# Giving Effective Feedback

This one day course is designed to help workplace leaders learn how to provide feedback any time that the message is due. Whether feedback is formal or informal, and whether it is provided to employees, peers, or someone else, there are ways that it can be structured to be effective and lasting.

This course will help participants learn why the way we deliver feedback is important, how to deliver a message so that people accept it and make changes that may be needed, and how to accept feedback that we are offered.
